I say there! Hupe May Dear,
Here I am & there you are.
I went to work for Jack Rider
this afternoon. He started
a big job at Moss Beach
for the G.W.C.C.U. I think
ten buildings 20 by 80 and
a big Assembly Hall
about 86 x 137. Quite a
little job. Maybe you
can get on when you
get through up there.
Ed.
